SUMMARY

2nd year BCA student at VIPS Delhi (CGPA 8.3) specialization in Data & Business Analytics. Experienced in end-to-end analytics from data cleaning and EDA to dashboard building using Python, SQL, Power BI, and Tableau. Completed a Data Science internship at Euexa Digital Solutions and independently built projects on retail customer behavior and telecom churn prediction. Certified by Deloitte (Forage) and HP Foundation. Seeking a data or business analytics internship where I can turn raw data into real business decisions.

PROFESSIONAL EXPERIENCE

Intern in Data Science and Analytics | Euexa Digital Solutions LLP

July 2025

Gurugram, India

- Engaged in data manipulation, cleansing, and elementary statistics
- Used visualizations to draw relevant insights from the data
